

RESOLUTION NO. 3575

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF Lodi TO QUALIFY **THE** CITY OF Lodi FOR FEDERAL FLOOD AND MUDSLIDE INSURANCE.

WHEREAS, the City Council of the City of Lodi believes that flood and mudslide insurance would be greatly beneficial to residents within our City: and

WHEREAS, the Federal Insurance Administration is offering protection under its "emergency program" which would allow City residents to purchase insurance to cover floods and mudslides: and

WHEREAS, this Council would like to show its expression of interest by submitting the following information to **the** Federal Insurance Administration:

Copies of this official legislative action indicating a local need for flood insurance and a desire to participate in the Federal flood insurance program.

Copies of Ordinance No. 943, establishing a Floodplain District and regulating land use therein.

Copies of a summary of Section 8710 of the California Water Code (1951) requiring the approval of the State Reclamation Board for certain projects in and near the floodplains of the Sacramento and San Joaquin Rivers or any of their tributaries.

Citations, by reference of the legal authority necessary for State and local actions regulating land use and a citation of adopted building codes.

A current Flood Hazard Report prepared for the City of Lodi by the U.S. Army Corps of Engineers in August, 1970.

WHEREAS, this Council does give assurance of future compliance and pledges to submit the following assurances in the form of action to the Federal Insurance Administration, including:

To recognize and duly evaluate flood hazards in all official actions relating to **land use** in the flood plain areas having special flood hazards.

To take such other official action as may be reasonably necessary to carry out the objectives of the program, such actions including the following:

- a. Assisting the Administrator, at his request, in delineating the limits of the floodplain having special flood hazard **on** available local maps of sufficient scale to identify the location of building sites.

- b. After flood insurance is made available, furnishing representatives of appropriate Federal or State agencies or of the National Flood Insurers Association information, as requested, concerning new or substantially improved structures within the area of special flood hazard. This information will include floor elevations, and ii there is a basement, the distance between the first floor and the bottom of the lowest opening where water flowing on the ground will enter.

DATED: December 15, 1971

I hereby certify that Resolution No. 3575 was passed and adopted by the City Council of the City of Lodi in regular meeting held December 15, 1971, by the following vote:
